

See you at the new Y!

The new Ches Penney Family Y will be opening soon! Every year we help thousands of people meet their health goals when they participate as Y members. Our members tell us they feel healthier as a result of their Y membership - families participate together, children and youth learn new skills and stay active, people volunteer, and new friendships are made.

We are moving to a new, convenient location at 35 Ridge Road in June, 2011. The new Y will have a variety of features that will benefit you as a member. There will be a gap in service of about four weeks for current members as we move due to weather dependent construction and as our building lease ends. The last day of access for current health members at New Cove Road will be May 31, 2011. As a current member, when payments restart, the first month will be pro-rated as you auto-transfer to the new Y. No one will have to pay for service not available. Current members will be able to access the Mount Pearl Y for no charge, and current adult members will receive two weeks free access to membership plus change rooms starting the day we open as a gesture of good will.

Your membership automatically renews monthly. As per the chart below there will be an increase in monthly membership fees and change to your membership category starting with the first payment in the new Y. You can also choose to upgrade your General membership to a Plus membership and enjoy a different Y experience. Childminding and swim lessons are included in family membership.

Membership Category	Monthly Fee	Building Fund Fee
