

16 June, 2011

Thank you for being a part of the Mount Pearl Y at 25 Holden Street.

The Mount Pearl Y has been in a positive partnership with the City of Mount Pearl for over 10 years. We are now in the last year of our service agreement. A comprehensive review was conducted, with Council, on the YMCA contract and the current programming at the Mount Pearl Y. I wish to advise that on May 3, 2011, council decided not to renew the contract with the YMCA after December 31, 2011.

Here is what we know right now:

- Last day for **member access** at 25 Holden Street will be **31 December, 2011**. There may be some changes as we wind down in programs and hours of operation- details will be communicated. December 15th payments will be pro-rated. Cancellations will follow the cancellation policy of 5 days notice in writing prior to your payment date. The cancellation fee will be waived.
- This announcement does not affect any programs offered at the Reid Centre or school age child care in Mount Pearl schools.
- You also have the option to participate at the new Ches Penney Family Y that will be opening in July, 2011. If you choose to become a member at the Ches Penney Family Y you will need to contact the Memberships Sales and Service desk at 748-1082 or 726-9622 to upgrade your membership. Details available on our website www.ynortheastavalon.com.
- Join us for our **closing celebration 31 December, 2011** throughout the day.

We know this is not ideal and thank everyone in advance for their patience and understanding. Please talk with our staff at the Membership Sales and Service desk 748-1082 or contact Sherry Squires, Director of Operations at 726-9622 ext 37.
