Every year we help thousands of people meet their health fitness and aquatics goals when they participate as YMCA members. Our members tell us they feel healthier as a result of their YMCA membership - families participate together, children and youth learn new skills and stay active, people volunteer and new friendships are made.

Your membership automatically renews monthly. Effective September 1, 2014, there will be a scheduled increase in fees. If you require further information please contact Membership Sales and Service by calling 726-9622 or by email dfowler1@ynortheastavalon.com.
