

The YMCA-YWCA of Northeast Avalon hosted the 13th annual Y Enterprise Olympics Conference at Hotel Gander from May 31st to June 3rd 2007.

Enterprise Olympics (EO) is an annual, multi-layered business planning and showcase competition. It is delivered within the secondary school system by the Y, through several key partnerships with: Atlantic Canada Opportunities Agency (ACOA), Service Canada, the Newfoundland and Labrador Credit Union (NLCU), the Department of Education and the Department of Human Resources, Labour and Employment.

Enterprise Olympics is comprised of several separate programs directed at different age groups and grade levels:

 Create A Logo competition is for students in grades 4-6

 Market Your Thoughts is for students in grades 7-9

The Newfoundland and Labrador Credit Union Business Plan and Showcase competitions target high school students.

An annual, year-end entrepreneurship conference is held for high school students who participate in the provincial NLCU Showcase and Business Plan competitions. From these two competitions the top 100 students are selected to participate in the Y Enterprise Olympics Conference.
