

The New Ches Penney Family Y Opening in 2011

**Almost there - \$700,000 to go for
Y Strong Families Campaign!**

**Craig Rowe, Y Project Committee Chair
and Jason Brown, Y President & CEO**

As the new Ches Penney Family Y starts to rise out of the ground at 35 Ridge Road, there are so many things to celebrate - our incomparable building site in Pippy Park, the strong support of all levels of government, the sale in 2009 of our current Y building, the generosity of donors, the strong and ever-growing team of volunteers, and all the people to whom the Y is vitally important.

Thanks to a strong inner family campaign, excellent support for major gifts, and a terrific start to our corporate campaign, we are pleased to report we are approaching the nearly \$10 million we need for the new Y.

We appreciate the investments in our Y and our communities made by donors so far.

Our Y strong families campaign volunteer teams still have \$700,000 to raise and are working diligently to make calls and follow up with potential donors.

If you have made your commitment already, thank you very much.

If you are still considering your commitment, thank you for continued consideration and be sure to let us know if you need any more information - we are looking forward to your support.

When the new Y opens in 2011 we'll be able to celebrate more - kids in swim lessons, youth in employment and leadership programs, families participating together in healthy activities, infants and toddlers in child care, more financial assistance, all participating in a place for everyone.

The new Ches Penney Family Y will help ensure our community-based institution can help people transform their lives long into the future!

Craig Rowe, Project Committee Chair and Past Y Board Chair
Jason Brown, President & CEO
