YMCA-YWCA of Northeast Avalon UPDATE - New St. John's Family Y

Government Funds Announced

The YMCA-YWCA of Northeast Avalon will build a new multi-purpose, recreation, health, and family facility in St. John's. The new building will be located at Ridge Road and Higgins Line inside the eastern boundary of C.A. Pippy Park, on land purchased from the C.A. Pippy Park Commission and donated to the Y by the City of St. John's. The new building will cost approximately \$11.3 million, with a portion of that funding provided by the federal, provincial and municipal levels of government through the Newfoundland and Labrador Municipal Rural Infrastructure Fund (MRIF).

The funding for the new facility was announced Friday December 19, 2008 by the Honourable Peter MacKay, Minister of National Defence and Minister Responsible for the Atlantic Gateway; the Honourable David Denine, Minister of Intergovernmental Affairs, on behalf of the Honourable Dianne Whalen, Minister of Municipal Affairs; St. John's Mayor Dennis O'Keefe; and Craig Rowe, Chair of the Board of Directors of the YMCA-YWCA of Northeast Avalon.

"Help us build the new Y and we can do so much more!"

- Jason Brown, CEO,
YMCA-YWCA of
Northeast Avalon

The facility will be situated in a highly populated and growing area of St. John's that is within easy access to more than 200,000 people in the communities of the Northeast Avalon. It will be close to secondary and post-secondary schools, government offices and businesses. The building itself will be quite visible and set on an attractive site in the urban section of Pippy Park.

The design development process is complete and working drawings are in progress to tender the project by March, 2009 for a potential start of construction in the spring of 2009.

The capital campaign continues with major gift decisions from prospective donors anticipated in February and March, 2009.
