Ches Penney Family Y

RIBBON CUTTING CEREMONY
MONDAY JULY 11, 2011 12:00-2:00PM

Message from Mr. Penney

In July of 2009 we stood very close to this site to turn the first sod and begin construction of this wonderful facility. Crews have been working diligently to bring the structure together, but we all know it took far more than bricks and mortar to build the new Y. It started with a notion, an idea, and a belief that you could make it work- and then it took the heart and soul of hundreds of you to dig in- and work hard to bring it home to all of us.

I commend you all, each and every one of you, for your dedication, talent and for your commitment to our community.

When I was approached to donate to this project I sat at the board room table with several of my colleagues and family members, and I was shown a video. As I watched, I was struck by how far reaching the work of the Y was, but I also couldn't help but notice how our business group is also a community. Without the "community" of support I receive from all of my business partners- some of whom are also my sons and daughters, and from my entire extended family who support me in so many wonderful and various ways- I would not be able to make this donation. This is a fact, just as it is a fact that the Y serves our community in a unique and very important way.

As I look around me today I can see the faces of many, almost all, of my children and grandchildren. This is a very proud moment for me and it is a privilege for me to share it with you. Thank you all for supporting me.

To the entire Y Community I say- I believe in you, I believe in your cause, and I am honored to join you here today on this auspicious occasion.

Thank you,

Ches Penney

Message from Project Chair, Y Board Chair, Y President & CEO

We are excited that all those present today can join us in this celebration. A ribbon cutting ceremony to mark the completion of a new facility and soon after, opening our doors to our current and future members provides us with much pride. The knowledge that our expanded programming will aid in the general well-being of our community has made every step along the way well worth our efforts.

More than just a recreational centre that helps people and families feel better and meet their health goals - the Ches Penney Family Y brings with it a wealth of features and benefits to those living within the Northeast Avalon. Participating in the programs and services of the Y is only a stepping stone to being active and involved in the community in which you live; aiding in the achievement and successes of children, youth, and families.

The ribbon cutting ceremony is witness to the collaborative efforts of all those involved for the last five years. We express our gratitude for the dedication of time from campaign and project volunteers and staff, the inspiring generosity of our donors and the leadership shown by community members. You have created a wonderful gift to the community.

We look forward to the Ches Penney Family Y now and into the future providing many generations with a place to grow in spirit, mind and body.

Thank you,

Craig Rowe, Sharon Sparkes, & Jason Brown
