The YMCA is one of Canada's oldest and most diverse charities – since our beginnings in 1851, the YMCA continues to serve all ages, all backgrounds and abilities through all stages of life. The YMCA is for everyone. We believe that everyone should be able to participate in programs they need regardless of their ability to pay the full fee. To ensure affordable access, the YMCA offers financial assistance to those who would otherwise be unable to benefit from proven programs and services.

YMCA Strong Kids is an annual fundraising campaign focused on raising much needed resources to support proven YMCA programs that give kids the opportunities they need to live healthier, happier lives now, but also to grow into productive adults.
