

**The YMCA of Newfoundland and Labrador  
is seeking employers to participate in our  
*Youth Discovering Employment* program**

## **The Program**

During the first four weeks, youth (ages 15-30) will engage in pre-employment training at the YMCA, where a Career Counsellor will facilitate employability and life skills training, job search training and career exploration. Participants will then transition to work placements for 30 hours per week.

## **The Employer**

Host employers will commit to:

- providing employment, on the job training and mentoring to a minimum of 1 program participant for 30 hours per week until March 10, 2017
- paying the participant at the provincial minimum wage rate, to be **reimbursed 70%** by the YMCA
- staying connected with the Project Coordinator on the participant's progress.
