Areas surrounding the schools and playground spaces will be used, ensuring that we cross any streets at designated cross walks. These field trips will be used to promote and enhance programming.

Recommended face mask use:

In keeping with the Provincial Government guidelines, non-medical masks that cover your nose and mouth is recommended at the YMCA. Masks are an additional precaution to protect against the transmission of COVID-19 and do not replace current physical distancing and hygiene measures which remain in place. Please bring your own mask as the YMCA will not be providing them.
