

Child Care Program Priority Factors

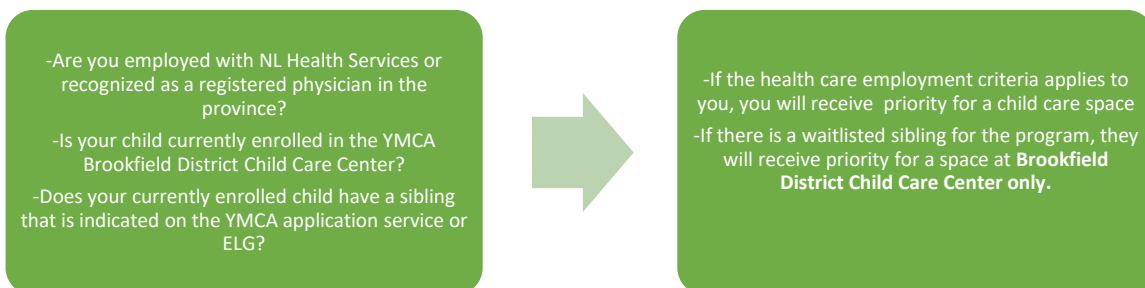

Considerations

- All families interested in enrolling their child(ren) in a YMCA Child Care Program or Service must complete a waitlist application either through the YMCA waitlist application service or the Early Learning Gateway (ELG)
- Families must have accepted and been enrolled in a child care space after July 1, 2025.
- All families must complete a new registration package for their child to match their new program involvement.

Early Learning Child Care/ CPFY

Brookfield District Child Care Center

Central Labrador YMCA Child Care Center/ CLY

-Are you currently employed with NL Health Services or recognized as a registered physician in the province?

-Is your child currently enrolled in the Central Labrador YMCA Child Care Center/ CLY?

-Does your currently enrolled child have a sibling that is indicated on the YMCA application service or ELG?

-If the health care employment criteria applies to you, you will receive priority for a child care space.

-If there is a waitlisted sibling for the program, they will receive priority for a space at the **Central Labrador YMCA Child Care Center only**.

School Aged Child Care

-Is your child currently enrolled in the YMCA School Aged Child Care Program?

-Does your currently enrolled child have a sibling that is indicated on the YMCA application service or ELG?

-If these apply to you, the indicated sibling will be noted as a priority for a space once available for **the same SACC service location** where your child is currently enrolled.

Pre-Kindergarten Program

-Does your child have a sibling currently enrolled in the Pre-K Program?

-Does your child have a sibling who is indicated on the ELG or YMCA waitlist application service that would be age eligible to attend Pre-K in the same program year?

-If these apply to you, your child will receive priority for a space in the **same program location** where your original child is enrolled.
